The Laboratory Assistant, who was occupying two Central blocks in accordance with the above G.O. on payment of the prescribed rent, has since vacated his quarters and shifted to some building outside the Sanatorium, secured by him.

The District Medical Officer in charge Government Tuberculosis Wellesley Sanatorium, Bellary reports that one of the two blocks vacated by the Laboratory Assistant, which was meant for one Ratnamma, a female nursing orderly, was allotted to the Compounder, who was badly in need of the same as the said female nursing orderly is a native of the place having her own house near the Sanatorium, and as it will be better to have one compounder always available in the Sanatorium premises. The compounder is being asked to pay concessional rent of Rs.2-8-0 per mensem according to item (2) of Class VII housing in page 60 of the Madras Manual of Special Pay and allowances. The other block is used as a tiffin room for duty Nurses.

In the circumstances, it is requested that the Government may kindly approve the action of the District Medical Officer in charge of the Sanatorium, in having allotted one block to the comp under and utilised the other block as nurses' tiffin room from the date on which they were vacated by the Laboratory Assistant.
